Los Angeles Forum for Architecture and Urban Design 501 (c) 3 id number: 95-4161753

Founded in 1987, the Los Angeles Forum for Architecture and Urban Design (LA Forum) is a non-profit organization dedicated to supporting innovative architecture, urbanism, art and design. The aim of the LA Forum is to take the pulse of contemporary design discourse, to identify, investigate, and interrogate an array of ideas and individuals through events, gallery shows, and publications that engage design professionals, scholars and the broader community in Los Angeles and beyond.
